

Wireless E-911 Services Board

October 4, 2001
APCO Conference

Agenda

- ◆ Annual Report
- ◆ Funding Submissions
- ◆ Phase II Funding
- ◆ E-911 Study
- ◆ Project Management

Annual Report

- ◆ Provided as a status report to the General Assembly and Governor.
- ◆ Includes the Phase I status for each wireless service provider and PSAP in the Commonwealth.
- ◆ Draft for comment is available on the website www.va911.org.
- ◆ Board to approve the report at their October 10th Meeting.

Funding Submissions

- ◆ Four funding submission items occurring now:
 - FY2001 True-up (Sept. 1)
 - FY2000-2001 Phase II Costs (Sept. 1)
 - FY2002 Phase II (Oct. 1)
 - FY2003 Submissions (Oct. 1)

Phase II Funding

- ◆ 100% funding:
 - Mapping display system for the PSAP.
- ◆ W-911 % funding:
 - Display system maintenance.
 - Base CAD system, if done through CAD
 - GIS personnel in PSAP.
 - Addressing equipment.
- ◆ Mapping and addressing (TBD)

E-911 Study

- ◆ Evaluate the statewide versus the local funding option for mapping data.
- ◆ Inventory and evaluate each PSAP's readiness for Phase I and Phase II.
- ◆ Present options for each locality to become fully ready.
- ◆ Modis Inc. has been selected to perform work
- ◆ Preliminary report in mapping data due by November 14th Board meeting.

Project Management

- ✦ RFP released within weeks.
- ✦ \$32,000 per PSAP per Phase
- ✦ Unlimited for regional efforts of 5 or more contiguous localities.
